- 13.12. To the extent that the Customer has negotiated any rebate, discount or other concession directly with any manufacturer of the Goods, this shall be a matter between the Customer and such manufacturer and shall not bind or have any effect on the Supplier including without limitation the Customer's obligation to pay to the Supplier all amounts due under the Contract in full.
- 13.13 The Customer shall pay all amounts due under the Contract in full without any deduction or withholding except as required by law and the Customer shall not be entitled to assert any credit, set-off or counterclaim against the Supplier in order to justify withholding payment of any such amount in whole or in part. The Supplier may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it or an Affiliate by the Customer against any amount payable by the Supplier or an

Affiliate to the Customer under the Contract or any other contract in force between the parties.

13.14. It is always possible that, despite the Supplier's reasonable efforts, some of the Goods or Services on the Site may be incorrectly priced. If the correct price for the Goods or Services is higher than the price stated on the Site, the Supplier will contact the Customer in writing as soon as possible to inform the Customer of this error and give the Customer the option of continuing to purchase the Goods or Services at the correct price or cancelling the Order. The Supplier will not process an Order until the Customer's instructions have been received. If the Supplier is unable to contact the Customer using the contact details the Customer provided during the Order process, the Supplier will treat the Order as cancelled and notify the Customer in writing. However, if the Supplier mistakenly accepts and processes an Order where a pricing error is obvious and unmistakable and could reasonably have been recognised by the Customer as a mispricing, the Supplier may cancel supply of the Goods or Services and refund the Customer any sums which have been paid.

13.15. In no case shall any dispute concerning:

- a. any item or separate part of the Goods or Services; or
- b. any other contractual obligation or liability of the Supplier to the Customer,

affect the Customer's obligation in respect of payments to be made under these Conditions.

14. Cancellation, Termination and Suspension

14.1. The Customer's Order once accepted by the Supplier may only be cancelled or suspended with the Supplier's written consent and the Customer acknowledges that the Supplier reserves the right to require the Customer to reimburse the Supplier in full for any loss suffered as a result of such cancellation or suspension (including, but not limited to, payment for Services already carried out, materials specifically ordered and other additional costs including storage, loss of profit, damages, charges and expenses). Without limiting its rights under the Contract in any way, the Supplier reserves the right to charge the Customer for lost profit should the Customer cancel the Order without prior written agreement of the Supplier.

14.2. Without limiting its other rights or remedies the Supplier may, without liability to the Customer, suspend, cancel or terminate the Contract (and/or all further deliveries and/or all support and repair/warranty services under the Contract or any other contract between the Customer and the Supplier) with immediate effect by giving written notice to the Customer, and may recover all losses resulting therefrom, if the Customer:

- a. the Customer shall immediately pay to the Supplier all of the Supplier's outstanding unpaid invoices and interest and, in respect of Services supplied but for which no invoice has yet been submitted, the Supplier shall submit an invoice, which shall be payable by the Customer immediately on receipt;
- b. the Customer shall return all Goods which have not been fully paid for. If the Customer fails to do so, then the Supplier may enter the Customer's premises or any other location and take possession of them. Until they have been returned, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract;
- c. the Supplier shall on request return any of the Customer Materials not used up in the provision of the Services;
- d. the accrued rights and remedies of the parties as at termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and
- e. clauses which expressly or by implication have effect after termination shall continue in full force and effect.
